Easy Access Front Door

Prevent failure and downtime due to:

- Dust, debris & airborne particles
- Cigarette smoke
- Atomized / aerosol liquids
- Component heat damage and fire risk
- Vandalism and theft

Features:

- DustShield™ fan-filter system
- Unbreakable clear polycarbonate windows
- Extra sturdy aluminum reinforced construction
- Large screen LCD or plasma TV, up to 65"
- RF / WIFI Compatible

Materials:

Constructed of 3/8" thick Industrial Plastic for maximum structural stability. Industrial Plastics are Impact Resistant, Heat Resistant, Corrosion Resistant, RF Equipment Compatible, Post-Industrial Recyclable and have recently been approved by the FDA for food production environments. For all these advantages, Industrial Plastic enclosures are significantly more cost effective than steel enclosures.

Manufacturer's Warranty:

Limited warranty - parts and labor - 5 years

What's in the Box:

DustShield™ Enclosures arrive completely assembled and factory floor ready. Optional bases and cabinets are shipped mounted together with enclosure. Delivered with one DS512 Heavy-Duty Particulate Filter.
